

HAWK HIGH PRESSURE SOLUTIONS MAKE ALL THE DIFFERENCE

ABOUT US

Since 1997, Hawk Valve has provided high pressure valves and fittings for onshore, offshore and subsea markets. We inventory a complete line of valves, fittings, tubing, gauges and pumps for all of your high pressure needs up to 150,000 PSI. Our manufacturers include: HiP, Alco Valves Group, Piper Valve Systems, DK-LOK and Sprague Pumps.

Additionally, we offer custom skid packages such as abandonment and recovery heads, gas lift manifolds, subsea pig launcher/ receiver skids, high pressure pump packages and valve/actuator packages.

Size Range: 1" - 20"

Pressure Range: ANSI 1500 - 15,000 PSI

- Drilling Diverter Valves (Piper Series PB and LC compact design)
- Compact Valves Designed for Managed Pressure Drilling Applications
- High Pressure Compact Ball Valves (Mud Service and Standpipe Manifold Service)
- Choke and Kill Manifolds (High Pressure Compact Ball Valves)

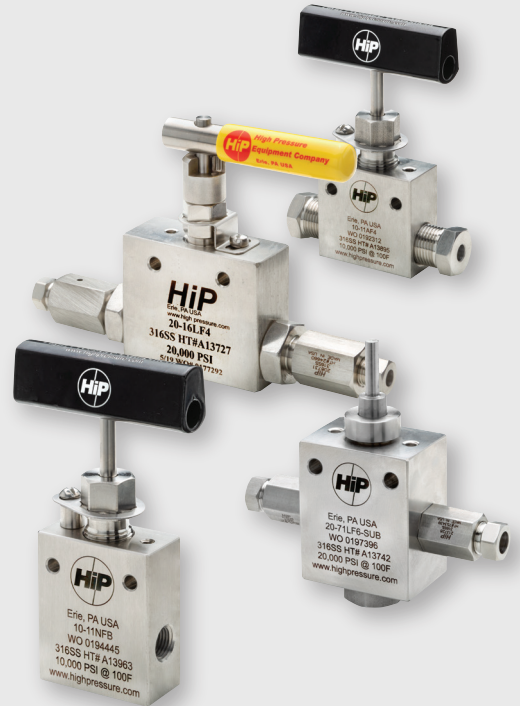

High Pressure Equipment

A GRACO Compan

Size Range: 1/16" - 1"

Pressure Range: 10,000 PSI - 150,000 PSI

- Medium Pressure Valves, Fittings and Tubing - 20,000 PSI
- High Pressure Valves, Fittings and Tubing - 30,000, 40,000, and 60,000 PSI
- Ultra High Pressure Valves, Fittings and Tubing - 100,000 PSI and 150,000 PSI
- Specialty Valves - Ball, Check, Metering Relief, Male Bottom Connection, and Block & Bleed
- Subsea Valves - Ball, Check and Needle
- Subsea Control Panel Valves
- Coning, Threading and Reseating Tools
- Pressure Vessels and Reactors
- Pumping Systems, Intensifiers, Gas Boosters, and High Pressure Generators
- Line Filters
- Special Alloys - Hastelloy, Inconel and annealed for Sour Gas Service
- Hydrogen Valve Service

Size Range: 1/4" - 1"

316 SS, Carbon Steel, Brass and Exotic Metals

Pressure Range: 1,000 PSI - 10,000 PSI

- Needle Valves
- Check Valves
- Ball Valves to 10K PSI
- Gauge Valves
- Double Block and Bleed Valves
- Manifolds (2 valve - 5 valve)
- Flanged Ball Valves
- Double Block and Bleed Valves (Ball/Needle/Ball)
- Sampling/Chemical Injection Valves
- DBB Monoflange Valves
- Subsea Needle, Ball and Check Valves
